### **DETAILED ACTION**

1. The Amendment received on August 3, 2009 has been entered into the record.

#### ***Allowable Subject Matter***

2. **Claims 1-23** are allowed.

The following is an examiner's statement of reasons for allowance:

As to **claim 1**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in a measurement method for measuring non-circularity of a core part of an optical fiber base material having the core part and a clad part the particular measuring a width between two change points step and rotating step, in combination with the rest of the limitations of **claims 1-13**.

As to **claim 14**, the prior art of record, taken alone or in combination, fails to disclose or render obvious in a measurement apparatus for measuring non-circularity of a core part of an optical fiber base material having the core part and a clad part the particular means for measuring a width between two change points and means for rotating, in combination with the rest of the limitations of **claims 14-23**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

#### ***Response to Arguments***

3. Due to the amendment to the claims the previous objections to the claims have been withdrawn (please see Action: 20090605). As for applicant's remarks filed August 3, 2009 that

Art Unit: 2877

in the Allowable Subject matter 'in combination with the rest of the limitations of **claims 1-13**' and 'in combination with the rest of the limitations of **claims 14-23**' should read -in combination with the rest of the limitations of **claim 1-** and -in combination with the rest of the limitations of **claim 14-**, Examiner disagrees because **claims 2-13** depend from **claim 1** and **claims 15-23** depend from **claim 14**.

### ***Fax/Telephone Numbers***

If the applicant wishes to send a fax dealing with either a proposed amendment or a discussion with a phone interview, then the fax should:

- 1) Contain either a statement "DRAFT" or "PROPOSED AMENDMENT" on the fax cover sheet; and
- 2) Should be unsigned by the attorney or agent.

This will ensure that it will not be entered into the case and will be forwarded to the examiner as quickly as possible.
